

## Bill Clay Design Studio LLC

now has

## LEED Professional Accreditation

### LEED Professional Accreditation

distinguishes building professionals with the knowledge and skills to successfully steward the LEED Certification process.

### LEED Accredited Professionals (LEED APs)

have demonstrated a thorough understanding of green building techniques, the LEED Green Building Rating System, and the certification process.

The LEED AP program is administered by the Green Building Certification Institute (GBCI), which was established with the support of USGBC to allow for objective, balanced management of the credentialing program.
